

Tallinn visit, May 12-14 2023

Report filed by: Andriy Zagorodnyuk

A visit to Tallin was related to participation in the Lennart Meri conference 2023, one of the largest and most important of security conferences in Europe.

<https://lmc.icds.ee/>

I participated as a speaker in two events:

On main panel on the future of Ukraine

<https://lmc.icds.ee/agenda/ukraine-way-ahead/>

Video of the event: <https://www.youtube.com/watch?v=tofxUvS4-yw>

And on Maritime security panel

In addition to those events I was:

- Part of the closed delegation meeting MOD Estonia. It was 10+ analysts from leading international think tanks. We had a meeting with Permanent secretary of MOD Estonia, Mr. Kusti Salm
- A separate closed roundtable of leading international think tanks on development of Ukraine's resistance to Russian aggression and US-Ukraine relations
- A chain of bilateral meetings with leading international experts, academics and think tanks (10+) during the conference
